Grizzly Cub Camp will allow for teaching players basic techniques of soccer in a fun and positive environment. Players will learn fundamental skills the first part of each session and finish with a small-sided game that encourages the use of that day's skill. Topics to be introduced and covered include: dribbling, passing, receiving, striking, and heading. The focus of this week long camp will be to improve each player's confidence with the ball in a fashion that allows for more fluid soccer movement.

Dear Campers and Parents:

I would like to personally invite you to Butler Soccer Camps. Our camps have something to offer players of all ages and skill levels. Please join us for a memorable event in soccer. Our coaching staff will make this challenging and fun. Don't miss it!
