

I want to take this opportunity to invite you to participate in our basketball camp at Butler Community College. We have a great staff and would like the chance to work with you. We pride ourselves in teaching our players fundamentals that will make them successful at the college level, and these same skills will be taught to you. We have had a great deal of success at Butler over the last two seasons because of the skills and fundamentals we teach. The improvement our players have made resulted in Championships and Division I scholarship opportunities. We hope you will join us for a good time & some great basketball!

Sincerely,

Mike Bargaen

Grizzly Day Camp

Ages 7-14 Grizzly Day Camp focuses on introducing the fundamentals of the game of basketball in a fun and exciting way. Drills and techniques are targeted toward the basic skills used in basketball. The camp teaches basic and intermediate fundamentals needed as campers move into elementary and junior high levels of competition. Age groups will be divided, and skills will be taught based on level of development. We will work on all areas of basketball including: passing, shooting, ball handling, defense, rebounding, and team concepts. Games and contests will give the campers a chance to demonstrate the basic skills they are learning, have fun, and win prizes!

Grizzly Camp Staff

The Grizzly Camp staff will be led by Mike Bargaen, a former NCAA Division I player and coach. Coach Bargaen has been the Head Coach at Butler Community College for the past 3 seasons and was the 2010 Conference and District Coach of the Year. Butler Assistant Coache Jon Craig brings a wide range of knowledge and helped the Grizzly's win the 2010 Jayhawk Conference and Region VI titles. The Grizzly Camp staff is dedicated to teaching each camper the proper fundamentals they need to improve. Campers will receive personal instruction for individual and team concepts. Skills and fundamentals that have made the Grizzlies successful over the years will be demonstrated and taught according to age group and experience. The coaching staff is dedicated to improving your skills and helping you become a better basketball player.
