### Grizzly Day Camp

**Ages 7-18** Grizzly Day Camp focuses on introducing the fundamentals of the game of basketball in a fun and exciting way. Drills and techniques are targeted toward the basic skills used in basketball. The camp teaches basic and intermediate fundamentals needed as campers move into elementary, junior high, and high school levels of competition. Age groups will be divided, and skills will be taught based on level of development. We will work on all areas of basketball including: passing, shooting, ball handling, defense, rebounding, and team concepts. Games and contests will give the campers a chance to demonstrate the basic skills they are learning, have fun, and win prizes!

### Grizzly Camp Staff

The Grizzly camp staff will be led by Mike Helmer. Coach Helmer has been the head women's coach the past two seasons. Butler Assistant Coach Jerise Freeman enters her second season with the grizzlies along with first year assistant Dane McDonald. The Grizzly Camp staff is dedicated to teaching each camper the proper fundamentals they need to improve. Campers will receive personal instruction for individual and team concepts. Skills and fundamentals that have made the Grizzlies successful over the years will be demonstrated and taught according to age group and experience.
