Butler Football Camp

In our 10th year the Butler Community College Youth Football Camp has become one of the best in the area. The strength of our camp includes the coaching staff, player to coach ratio and our emphasis on *teaching*.

This camp is designed to provide participants with opportunities to learn, develop and improve their football skills, knowledge and confidence in a fun, safe and enjoyable atmosphere (non-contact). **The majority of our schedule is spent on the field teaching and drilling the proper fundamentals and techniques of offensive and defensive football as well as special teams – the same things the Butler Grizzlies are taught.** Campers will also learn aspects of team work, motivation, flexibility and speed development in relation to the game of football.

Regardless of experience or skill level, the grizzly football camp offers each athlete the opportunity to learn, develop and master the techniques necessary to be a productive football player. Through individualized instruction, we are able to meet the needs of experienced players and/or new players, furthering their enjoyment of the great game of football.
