

Butler Football Camp

In our 10th year the Butler Community College Youth Football Camp has become one of the best in the area. The strength of our camp includes the coaching staff, player to coach ratio and our emphasis on *teaching*.

This camp is designed to provide participants with opportunities to learn, develop and improve their football skills and confidence in a fun, safe and enjoyable atmosphere (non-contact). Campers will learn the fundamentals of each offensive, defensive and special teams position. They will also learn aspects of team work, motivation, flexibility and speed development in relation to the game of football.

Regardless of previous football experience or skill level, the grizzly football camp offers each athlete the opportunity to learn, develop and master many of the fundamental techniques necessary to play the game. Whether you are a novice, or a seasoned veteran we have the individualized instruction to meet your needs and further your enjoyment of the great game of football.
