Grizzly Football Camp

If you want your team to be the best it can be this fall, then don't miss out on the Butler Football Team Camp this summer. The strength of our camp includes the coaching staff, player to coach ratio and our emphasis on *teaching*.

Practices will include individual and one-on-one, 7-on-7, inside run, unit and team 11-on-11 instruction. All practices are pro tempo, no tackling.

This camp is designed to provide high school teams with opportunities to learn, develop and improve their football skills, knowledge and confidence. Campers will also learn aspects of teamwork, motivation, flexibility and speed development in relation to the game of football.

The Team Camp offers each athlete the opportunity to learn, develop and master the techniques necessary to be a productive football player. We are able to provide campers the individualized instruction that will prepare them for a successful 2010 football season.

This is also a great opportunity to be evaluated by our coaching staff and work with the 2003 & 2007 National Coaches of the Year.
